Hi, Chris. Yes, my team is available for 19 Nov—I'll make their tentative calendar invite firm so they know to hold that date. And sure, I can stay for more topics on the 20th.

Subject: Vapor Intrusion Meeting

Hi Lynn – I received your voicemail. We are available on November 19 for a VI meeting. I am trying to determine a start time since some of our team is coming from Santa Barbara, but wanted to confirm for that date. I will assume your team is travelling the morning of the 19th, so the meeting will not start prior to 10am.

Since you are available on the 20th also, I would like to keep the date open for other discussions, specifically, Building 20002, CAMU, Area 40 PP/ROD, OU-11, and BERA. Can you plan on staying over for a meeting on the 20th also?

Thanks, Chris

Christopher M. Fennessy, P.E.
